BESPOKE DEFENDER INTERIORS

4X4 REBORN HAS announced a bespoke interior trimming service for all Defender models as fitted to Project Gladiator (see July issue of **LRM**). The package includes full interior upgrades in leather or vinyl with stitching to suit your own colour scheme, luxury leather front bucket seats or standard, rear seats, seatbox covers, transmission tunnel covers, door cards and dash assemblies. Other trim items available include sun visors in alcantara and leather. Vehicles are also built and customised to customer's own specifications.

4x4 Reborn can also offer new heavy duty rear crossmembers to Td5 Defenders. The same day service allows you to drive in and drive out with a fully wax oiled, stainless bolt-on crossmember. The service is available for earlier models including 200 and 300Tdi 90/110/130.

For more information, contact 4x4 Reborn on 01926 258894 or e mail 4x4reborn@chessmail.co.uk

SECURING YOUR DEFENDER

WITH AN alarming number of Defenders going missing all the time, owners are turning to a whole host of solutions to protect their pride and joy.

New from LRS Offroad comes their 'Ardcase Clamps. The clamp secures all three pedals together using a 3mm steel shell, locked together using a quality deadlock. The 'Ardcase can resist attacks from all kinds of nasty tools, including the ones trying to pinch your vehicle. The lock itself has a 9mm steel barrier protecting it, designed to deter even the most determined criminal.

Available for 200Tdi, 300Tdi, Td5 and TDCI Defenders, each 'Ardcase is supplied with two keys and small warning decals priced at £129.99.

LRS are also offering the fantastic new Mach 5 Wheels to its customers. These wheels really transform your vehicle and are tried and tested. They are available in 8x16 and

8x16 with beadlockrims in stock. Non-beadlock packages start at £135 plus VAT to £170 plus VAT for beadlock rims. They come in bare steel but can be painted any colour you want, at a price of course.

CROSSING INTO QUALITY

THE CURSE of a great number of 'older' Land Rovers is a rotten crossmember. But where some choose to 'bodge it and scarp' others invest a bit of cash on a brand new one.

MPS Trading's latest product is a Defender 90 Td5 rear crossmember with extensions. The quarter-length chassis extension comes with rear spring seats. www.mps-trading.co.uk

NEW DISTRIBUTION DEAL

FROGS ISLAND 4x4 are now UK distributors for Advance Adaptors and Atlas Transfer Cases. Frogs Island say they can supply the full range of their products and arrange for your custom transfer case to be built to your exact specification.

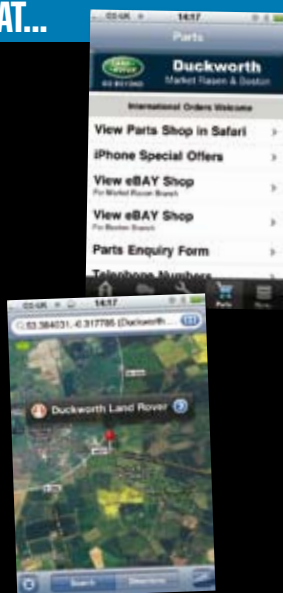

Advance Adaptors are pleased to be working with Frogs Island 4x4 and look forward to supplying the UK market with products to evolve the 4x4 competition scene even more. For more details contact: Dan@frogsisland4x4.com - 01235 832100. www.frogsisland4x4.com

THERE'S AN APP FOR THAT...

FOR THOSE of you who can proudly claim to owning an iPhone, it would be fair to say that the majority of apps on it are novelty ones. Spirit levels, tennis and throwing waste paper away can now all go on the backburner as Duckworth Land Rover has announced the launch of their own unique app.

The app allows access to all current vehicles and gives users the opportunity to arrange a service booking, order accessories, call or navigate to a branch. The new application is available for download now. www.apple.com/iphone/apps-for-iphone

PRESSURE WASHING ON THE MOVE

THE TROUBLE with the vast majority of pressure washers on the market is that they are constrained by a mains plug and a hosepipe. However, the Mobi V-17 washer now gives owners the chance to pressure wash their Landies quite literally anywhere.

The MOBI V-17 is the most powerful portable washer available on the market today. It runs from an internal 12-volt rechargeable battery that you charge from the mains and a full charge will give you around an hour's worth of washing.

The MOBI tank holds 17 litres of water without the need for a hose attachment or additional power supply - you might need a couple of refills for your Landy, but it makes an ideal solution while at a show or camping event.

The Mobi V-17 costs £149.99 inc VAT and free next working day delivery to UK mainland. For more information call 0845 459 8103. www.mobiwasher.com
